

FUM EZ ARMS

Oskar Self Supporting Arms

Welding Fumes
Grinding Dusts
Glue Fumes
Airborne Dusts
Soldering Fumes
Smoke Extraction
Chemicals

Hanging/Portable
Painted/Stainless
Diameter: 3", 4", 6", 8"
Lengths:
3', 5', 7', 10', 14'

OsKar FumEz Arm Family

OSKAR self-supporting arms provide the most economical and effective methods for the capture of fumes. Contaminants are removed at their source. The use of self-supporting joints, flexible hoses and smooth bore tubing allow for easy placement of the arm's hood near the source of a problem. Fume arm tubes are fabricated of steel with cast aluminum joints which include a friction disc and are fully adjustable to the worker's desired tension. The arms include a handle which completely encircles the hood in order to facilitate easy repositioning from all sides. Hood diameters vary from 160mm/6" on the 75mm/3" arms, to 350mm/14" on the 200mm/8" arms. All hoods are equipped for installation of an optional light kit.

User Friendly Features Include:

- ⊙ Adjustments and supports on exterior
- ⊙ "Grab" handle all around the hood
- ⊙ Second handle for rotation on the tube
- ⊙ Air diverter in hood to increase capture velocity
- ⊙ Heavy duty 360 degree swivel with safety stop
- ⊙ Smooth tube construction for lowest pressure drop
- ⊙ Totally encapsulated lift assist spring
- ⊙ Heavy duty cast joints
- ⊙ Built-in shut off damper in every arm

Typical Applications:

- ⊙ All welding processes
- ⊙ Grinding dusts and most airborne dusts
- ⊙ Polishing, painting, printing
- ⊙ Soldering fumes
- ⊙ Chemical applications such as laboratories (stainless steel models)
- ⊙ Food and pharmaceutical (stainless steel models)

Model	Arm Reach	Arm Diameter	Available hood diameter
3010* ⁺	3'0.8M	3"/80mm	4"/100mm
3015* ⁺	5'1.5M	3"/80mm	4"/100mm
4015*	5'1.5M	4"/100mm	6"/160mm
4020*	7'2M	4"/100mm	6"/160mm
4025*	8'5'2.5M	4"/100mm	6"/160mm
6020*	7'2M	6"/160mm	12"/315mm
6030*	10'3M	6"/160mm	12"/315mm
6040*	14'4M	6"/160mm	12"/315mm
8020*	7'2M	8"/200mm	14"/350mm
8030*	10'3M	8"/200mm	14"/350mm
8040*	14'4M	8"/200mm	14"/350mm

* Add suffix P to above model number to specify standing mounted
 Add prefix SS to above model numbers to specify stainless steel
 + Arms painted in white only

Other OsKar Air Products Equipment

OSKAR self-supporting arms can be combined with several accessories to provide the best solution for a particular problem:

- swinging extension booms to increase reaches
- brackets for wall hanging mount
- fans or filtering system
