

Air Filtration Equipment

"Manufacturers' Agents in the Air Pollution Control Industry"

Metal Working Products

Cutting, Grinding, Deburring and Welding

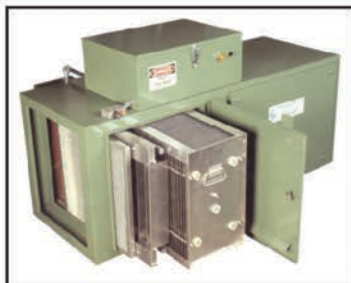

Dust Collectors

- Cartridge & bag style
- Explosion proof systems
- Ceiling hung units
- Dust control booths

Vacuum and Extraction Systems

- Point source capture
- Housekeeping systems
- Portable and central systems
- Vacuum assist tools

Electronic Filters

- Multi-stage filtration
- Oil mist and smoke removal

Central and Portable Fume Collectors

- Single and dual arm systems
- High capacity fans & arms
- Heavy duty casters
- Optional lights and HEPA filters

Miscellaneous Products

- Dust collector parts and service
- Turnkey installed systems
- Wet scrubbers systems
- HVAC filters and HEPA systems

GT Downdraft Benches

Downdraft Benches

- Multi-stage spark arresstance
- Pulse jet filter cleaning
- Heavy duty welded construction
- Many optional features
